63.         This is a one-stop site for those wishing to find a career
in software or web development, within↵
64.         the West Midlands area of England.↵
65.         You will find listings of local courses; hybrid or remote,
part-time or full-time, free or paid.↵
66.         Many of these courses require no prior qualifications,↵
67.         only the desire to learn. Due to the lack of diversity in
tech, some of the courses listed are↵
68.         restricted to certain demographics e.g. gender, ethnicity,
etc.↵
69.         Future pages will feature local and remote meetups,
friendly open source communities and projects,↵
70.         career support and free tools.↵
71.     </p>↵
72. </div>↵
73. <div class="col-12">↵
74.     <h2>Who are we?</h2>↵
75.     <p>↵
76.         We are LevelCoder, a group of tech lovers working and
studying within a 50 mile radius of Birmingham↵
77.         city centre.↵
78.         Our aim is to make learning open to everyone with a
passion for tech. We recognise that many↵
79.         beginners, whether they be education leavers or career
changers,↵
80.         are clueless about where and how to start their journey
into a tech career.↵
81.     </p>↵
82.     <p>↵
83.         Currently this is a minimal viable product (MVP) which
will be made open source in the near future.↵
84.         We hope that others will contribute to this project, by
improving it, adding to it or even coping it↵
85.         for their own community.↵
86.         Join our friendly community and keep up to date with local
events by subscribing to our newspaper↵
87.         below.↵
